Here's what awaits guests during this holly, jolly celebration at Disney's Hollywood Studios at Walt Disney World Resort:

- **NEW! Toy Story Land Holiday Additions** – Holiday fun arrives in a brand-new land where guests become honorary toys and enjoy attractions, food and entertainment inspired by Woody, Buzz Lightyear and friends. New decor will include an oversized cranberry-and-popcorn garland and a 10-foot-tall Hamm sugar cookie at Woody's Lunch Box, as well as green alien ornaments near the entrance to Alien Swirling Saucers, just to name a few. Plus, guests will hear sleigh bells ringing on Slinky Dog Dash, while Alien Swirling Saucers will offer two holiday tunes with themed lighting. Toy Story characters will don new holiday looks for the season, too, as Woody and Jessie will wear special holiday vests and sprigs of holly on their hats, while Buzz Lightyear will sport a snazzy Santa hat.
- **Sunset Seasons Greetings with New Laser Effects** – This popular holiday experience returns with impressive new laser effects to complement the spectacular projections of Mickey Mouse, Olaf and other beloved Disney characters sharing their favorite seasonal stories. A snowy Sunset Boulevard twinkling with stunning holiday decorations is the perfect setting for this wintry display. Holiday magic transforms the famous Hollywood Tower Hotel into scenes of the season – Mickey and Minnie reminiscing about a hometown Christmas, characters from Pixar Animation Studios' Toy Story films guessing which new toys are coming this holiday and more. This stunning experience runs continuously throughout the night.
- **Enhanced Holiday Decor Around Echo Lake** – Echo Lake and the surrounding area will be the merriest of places this holiday season, with extra-large ornaments, colorful garlands and a giant Christmas tree. Even Dinosaur Gertie will be dressed for the occasion with a dino-sized Santa hat.

- **“Jingle Bell, Jingle BAM!”** – Iconic music, fireworks, special effects and state-of-the-art projections will bring this holiday spectacular to life. The story follows animated elves from “Disney Prep & Landing” as they search for Santa Claus, who has gone missing.
