## **Best of Boston - Past and Present**

Treasured American history and spirited contemporary culture come to life during a diverse line-up of experiences in Boston on the new four-day, three-night Short Escape itinerary.

Throughout the trip, guests are immersed in the city's legendary stories. During a privately guided tour along the Freedom Trail, a 2.5-mile route teeming with historical locales, families follow 18th-century costumed guides back in time as they are regaled with thrilling tales from the American Revolution. A private, after-hours tour of the Old North Church places travelers in the famed footsteps of Paul Revere, while another special after-hours visit to the Boston Tea Party Ships & Museum concludes with a private dinner steeped in the city's storied roots.

Other family-friendly excursions and activities include rowing along the Charles River, biking the city on a private sightseeing tour, exploring the grounds of Harvard Yard and indulging at a private New England clambake on Thompson Island.

The new Boston Short Escape is available on select dates in May through October 2019.

## **Bucket List Getaway in London**

Adventures by Disney guests will revel in the royal treatment with VIP experiences in one of the world's most iconic cities during the new three-day, two-night Short Escape in London. This bucket list getaway can be booked as a stand-alone vacation or as a pre-cruise add-on to Disney Cruise Line sailings out of nearby Dover, England.

The itinerary is filled with exceptional experiences, including a once-in-a-lifetime, private viewing of the royal Crown Jewels led by the Tower of London's Jewel House Warden; a private, high-speed thrill ride in a boat along the River Thames; and a privately guided tour of Westminster Abbey, the revered site of royal coronations and weddings. Families will also witness the time-honored tradition of the changing of the guard at Buckingham Palace and an unforgettable dinner show.

The new London Short Escape is available on select dates in July, August and September 2019.
